M&A Management Solutions

Master Website & Business Launch Checklist

Working checklist | Drafted website materials are not the same as completed business setup. Check each item only after verification.

Branding & Company Identity

- ■ Confirm company name and Virginia SCC availability
- ■ Complete company formation and name-conflict review
- ■ Finalize logo, navy/silver branding, and public-facing name
- ■ Secure domain, business email, email signature, and business cards

Website Pages & Content

- ■ Homepage with clear owner consultation call to action
- ■ About Us and Meet the Founder with professional headshot
- ■ Our Philosophy: three guiding principles
- ■ Our Services and Why Choose Us pages
- ■ Customized Management Plans section (no public rate chart)
- ■ 13-question FAQ in agreed order
- ■ Contact form, service areas, and rental evaluation request
- ■ Owner and tenant portal links when ready

FAQ & Marketing Promises

- ■ Personalized hands-on or hands-off management
- ■ No hidden fees; explain all agreed charges
- ■ Zero management termination fees, subject to agreement terms
- ■ Maintenance and emergency coordination
- ■ Strategic rental pricing and renewals
- ■ Owner-selected vendors and affiliated brokerage leasing
- ■ Screening, financial reports, disbursements, HOA coordination
- ■ Out-of-state and international owner support
- ■ Check all advertised commitments against signed contracts

Buildium & Technology

- ■ Choose and activate Buildium subscription
- ■ Configure owner, tenant, property, and accounting records
- ■ Configure and test owner/resident portals
- ■ Verify ACH, credit card, checks, and payment fees
- ■ Set up statements, disbursements, and maintenance workflows
- ■ Test reports, annual tax documentation, and user permissions

- Add portal links and Buildium mention only when live

Legal & Compliance

- Fair Housing / Equal Housing Opportunity footer
- Full fair housing disclosure and applicable local protections
- Privacy policy and website terms
- Confirm Virginia licensing, DPOR advertising, brokerage disclosures
- Finalize management contract, notice periods, and termination terms
- Verify DBA/fictitious-name requirements if applicable
- Review legal disclosures with qualified Virginia professional

Business Operations

- Confirm licensed firm structure and required approvals
- Arrange E&O insurance and business insurance
- Open operating and compliant escrow/trust accounts
- Finalize brokerage coordination and vendor procedures
- Set owner reserves, repair authorizations, emergency response
- Set inspections, move-in/out and turnover procedures
- Establish reconciliations, owner disbursement calendar, 1099 workflow

Website Launch & Marketing

- Select website host and install SSL/security backups
- Add real photos, clear contact information, and CTAs
- Optimize mobile experience, accessibility, and page SEO
- Set up Google Business Profile when eligible
- Test inquiry forms, email delivery, portal links
- Proofread all pages and check accuracy before launch
- Publish and test the live website

Pricing decision: Do not publish a fixed fee chart. Explain that management services and pricing are customized, disclose all applicable fees in each proposal, and invite owners to request a personalized management proposal.
